KINGSWAY CONSULTANTS

INTRODUCTION

The firm **KINGSWAY CONSULTING ENGINEERS** was established in the year 1967 at Madras (Chennai). The name of the firm was changed to **KINGSWAY CONSULTANTS - ARCHITECTS AND ENGINEERS** in the year 1991. This is a Partnership firm.

The services undertaken can be broadly classified as:

- ✓ Architectural design, detailing and supervision
- ✓ Structural design, detailing and checking of all types of structures,
- ✓ Designs and detailing of Electrical installations.
- ✓ Design and detailing of Sanitary and Plumbing installations.
- ✓ Total Project Management, Tendering, supervision and checking bills, certifying payments and completion reports.
- ✓ Valuation of immovable property
- ✓ Interior decoration design and supervision
- ✓ Rehabilitation and repair of buildings
- ✓ Consultation on property development
- ✓ Evaluation of Projects

All services are provided under one roof.

KINGSWAY CONSULTANTS

1

SERVICES

▪ **PROJECT CONSULTANCY AND MANAGEMENT**

In this category, the preparation of architectural drawings may or may not be done by us. If architectural drawings are supplied to us by other architects we can offer any of the following services.

- structural design and detailed drawings
- sanitary and plumbing layouts, design and detailing
- electrical layouts- design and detailing
- Specifications and quantities for civil works, sanitary and plumbing, electrical works.
- tenders are called and contractors are selected
- periodical site visit to monitor the work
- bills submitted by the contractors are checked, payment is certified.

In case the clients want to carry out the project departmentally, day to day supervision is provided along with the above services.

▪ **STRUCTURAL DESIGN CONSULTANCY FOR ALL BUILDINGS AND ALLIED STRUCTURES**

In this category the structural elements of the building are designed and detailed by us. The structural designs can be according to Indian Standards or any other countries Standards and Code of Practices. We specialize in the design of earthquake proof structure.

As analysis and designs are done on computers, every structural element is designed to its optimum potential. All detailing also are carried out by CAD designs and detailing can be done for RCC or Steel or Timber structures.

KINGSWAY CONSULTANTS

2

SERVICES

▪ VALUATION

We are gazetted valuers approved by the Central Board of Direct Taxes. We are valuers for immovable property for purposes of Estate duty, Wealth Tax, Bank Loans etc. We are on the Panel of valuers for Indian Bank and Bank of America, City Bank, American Express Bank, Punjab National Bank etc.,

▪ REHABILITATION AND REPAIR OF EXISTING BUILDINGS

The building is inspected, necessary tests are conducted and the stability of the structure is ascertained. The structural adequacy of the building is checked, a specification is made for repair and renovation works to be done. Quotations are called from specialist repair contractors for carrying out the work.

In some cases, when a detailed study is needed on the state of materials in the building, 'material testing laboratories' will be engaged.

▪ CONSULTATION ON PROPERTY DEVELOPMENT

Property owners and Developers are given necessary advice for getting maximum results from developing a property. Joint ventures are arranged where required. The cost of Development, infrastructure Development, type of Development, cost of Development, sale price, funds flow are analyzed to help the client to take the correct decisions.

▪ EVALUATION OF PROJECTS

Project evaluation is done during the progress or after completion on behalf of the Project holders or funding agencies.
